**ALLEGED VIOLATIONS**

The probation officer believes that the defendant has violated the following condition(s) of supervision:

Violation No.   Nature of Noncompliance

1.        **The defendant shall refrain from any unlawful use of a controlled substance.**

On March 27, 2017, Mr. Walden tested positive for marijuana and he admitted use.

**Compliance with Supervision Conditions and Prior Interventions:**

Justin Walden began his term of supervised release on March 24, 2017, and is due to terminate supervision on March 23, 2018. He is currently unemployed and resides in Nashville, Tennessee with his fiancée, child, and fiancée's three children.

Mr. Walden tested positive for marijuana on March 27, 2017. He admitted to smoking marijuana on March 24, 2017, while he was in custody. He also reported that he smoked marijuana the whole time he was in custody.

He was enrolled in a random drug testing program. If there is new use, he will be referred to substance abuse treatment.

**U.S. Probation Officer Recommendation:**

It is respectfully recommended that no additional action be taken by the Court at this time so that Mr. Walden can continue with random drug testing and treatment if his drug use persists. This violation has been reported to Assistant U.S. Attorney Sunny A.M. Koshy , who concurs with the recommendation.
